Water Justice Knowledge Exchange Fall Gathering

Wednesday, November 6, 2024, 9 am–12:30 pm
University of Arizona, ENR2 Building, Room S225

Learn from a researcher/ community partner pair about their experiences and lessons learned from undertaking community engaged research.

Share experiences, ideas, and questions about the logistical and big-picture considerations of conducting community-engaged research that is reciprocal and sustainable.

Network with other students, researchers, and faculty involved in community-engaged research broadly applied to water and social justice.

Have questions or want to learn more about the event? Please reach out to us!
